Team Leicestershire Cricket Handbook

Key Information Rules and Formats

2020/21
Welcome

Welcome to the 2020/21 Team Leicestershire Cricket Season. All sport-specific information, rules, formats and age groups are included within this handbook. For additional Team Leicestershire information, overarching rules and processes, please also ensure that you refer to the 2020/21 Team Leicestershire handbook.

Obligations

It is imperative that Team Managers read and understand the contents of this sport specific handbook and the generic Team Leicestershire rules and formats handbook to ensure the smooth running of each competition.

Please pay specific attention to the deadlines and play by dates within this document.

Covid-19 Amendment

Following the Coronavirus outbreak, the 2020-21 academic year will no doubt be a very different and challenging period. With this in mind, it is important that LRS, SSPANs, SCHOOLS and SPORTS ASSOCIATIONS recognise and understand that flexibility and adaptability will be imperative to the delivery of the Competition Calendar. Therefore, the dates and formats stated in this document are an ‘ideal scenario’ and may be subject to change at both local and County level.

It is important that opportunities for young people to compete are provided and so in order to do this, we may have to utilise that flexibility and adaptability with the support of schools and delivery partners involved. Any required changes (if and when the need arises) will be communicated as clearly and as early as possible to allow for any necessary amendments by all parties involved.

We thank you for your support in this matter during these unprecedented times.

Rules and Formats

Age groups:
Team Leicestershire Cricket offers the following age competitions:

Under 12 (Year 7) Boys Bunbury Cup
Under 14 (Year 8/9) Boys ESCA One Day Trophy
Under 15 (Year 10) Boys ESCA T20
Under 18 (Post 16) Boys Swatland Trophy
Under 13 (Year 7/8) Girls
Under 15 (Year 9/10) Girls

1. U12 and U14 will be played on an area basis followed by a County wide knock out during the whole of the summer term. U15 will be a County knock-out competition during the first half of the term organised by LSCA culminating in a County winner competing in the National ESCA T20 at regional level in the second half of the term. The Post 16/FE Competition will be played in two separate leagues culminating in semi-finals and final.

2. The winners of the Year 7 & Year 8/9 Competitions will participate the following year in the ESCA National Competitions.

3. Matches will be of 20 overs per innings (more by agreement of both teams in the Post 16 Competition). No bowler shall bowl more than a fifth of the total.

4. There is no forced retirement regulation. Batsmen may remain in play until they are deemed to be out.

5. The team scoring the most runs shall be the winners.

6. In the event of a tie in the knock-out rounds a ‘super over’ will decide the winner – no more than two wickets can fall in that over. This process should be repeated using different players until a result is achieved.

7. In the event of rain overs may be reduced to a minimum of 10 overs a side. In an abandoned match the winner will be decided on the average run rate of each innings, provided the side batting 2\textsuperscript{nd} has had at least 10 overs.

8. The ECB age-group regulations regarding close fielding; length of wicket; balls and helmets will apply.

U13 & U15 GIRLS’ CRICKET

a) Teams shall consist of eight female players of aged 15 or 13 and under.
b) Each game will consist of one innings per side. Each innings shall be 12 overs which should be completed inside 45 mins.
c) All players must wear appropriate protective clothing, which must include batting or wicket keeping gloves, batting or wicket keeping pads, and a cricket helmet with a visor.
d) A junior (4 ¾ oz) ball should be used.
f) No fielder, except the wicket keeper shall field within eight yards (U15) or eleven yards (U13) of the batsman on strike except behind the wicket on the off side.
g) All of the usually means of dismissals apply. When the batsman is out, they are out.
h) A batsman must retire on having scored 20 runs. The batter may, however, resume their innings if their side is bowled out within the allotted overs, providing their team has fielded a minimum of seven players. Innings shall be resumed sequentially with other batters who have retired under this rule.
i) Each player, with the exception of the wicket-keeper, must deliver a minimum of one over and a maximum of two overs. No wicket keeper shall be allowed to bowl except in the case of injury to another bowler, during the game. If a bowler is unable to complete an over due to injury and injury, another bowler, who has not completed her quota, may complete the over. The number of balls left to be bowled shall count as a complete over for the replacement bowler.
j) Two runs shall be the penalty for a wide ball and a no ball and no extra delivery shall be bowled, except in the last over of an innings when the two run penalty will still apply, but an additional ball shall be bowled.
k) Any delivery, regardless of pace, which passes or would have passed on the full above waist height of the strike standing upright at the crease, shall be called and signalled a no ball, whether or not it is likely to inflict physical injury.

THE RESULT

a) The team scoring the higher number of runs will be the winner.
b) If scores are equal in the League fixtures the result shall be a tie.
c) At the finals day, a super over shall be played to determine the winner.
d) The super over shall be one, six ball over bowled by one bowler. The team scoring the highest number of runs in the super over shall be the winner. If the scores are equal in the super over the side losing the fewer wickets shall be the winner.
e) Two points will be awarded for a win and one point for a tie. The two league winners will compete in the final. In the event of a 2-way tie for first place the result of the game between the two teams will decide the winner. In the event of a 3, or greater, way tie then average run rate will decide the winner.
