SPORT & PHYSICAL ACTIVITY

Welcome

Welcome to the 2021/22 Team Leicestershire Cricket Season. All sport-specific information, rules, formats and age groups are included within this handbook. For additional Team Leicestershire information, overarching rules and processes, please also ensure that you refer to the 2021/22 Team Leicestershire handbook.

Obligations

It is imperative that Team Managers read and understand the contents of this sport specific handbook and the generic Team Leicestershire rules and formats handbook to ensure the smooth running of each competition.

Please pay specific attention to the deadlines and play by dates within this document.

Covid-19 Amendment

Following the Coronavirus outbreak, the 2021-22 academic year may continue to be a different and challenging period as we transition back towards "normality". With this in mind, it is important that we at LRS as well as SSPANS, SCHOOLS and SPORTS ASSOCIATIONS recognise and understand that flexibility and adaptability may well be imperative to the delivery of the Competition Calendar. Therefore, the dates and formats stated in this year's TL handbook documents are an 'ideal scenario' and may be subject to change at both local and County level.

It is important that opportunities for young people to compete are provided and so in order to do this, we may have to utilise that flexibility and adaptability with the support of schools and delivery partners involved. Any required changes (*if and when the need arises*) will be communicated as clearly and as early as possible to allow for any necessary amendments by all parties involved.

We thank you for your support in this matter should any unforeseen circumstances arise or amendments be required.

U13 & U15 GIRLS' CRICKET

- a) Teams shall consist of eight female players of aged 15 or 13 and under
- b) Each game will consist of one innings per side. Each innings shall be 12 overs which should be completed inside 45 mins.
- c) All players must wear appropriate protective clothing, which must include batting or wicket keeping gloves, batting or wicket keeping pads, and a cricket helmet with a visor.
- d) A junior (4 $\frac{3}{4}$ oz) ball should be used.
- f) No fielder, except the wicket keeper shall field within eight yards (U15) or eleven yards (U13) of the batsman on strike except behind the wicket on the off side.
- g) All of the usually means of dismissals apply. When the batsman is out, they are out.
- h) A batsman must retire on having scored 20 runs. The batter may, however, resume their innings if their side is bowled out within the allotted overs, providing their team has fielded a minimum of seven players. Innings shall be resumed sequentially with other batters who have retired under this rule.
- i) Each player, with the exception of the wicket keeper, must deliver a minimum of one over and a maximum of two overs. No wicket keeper shall be allowed to bowl except in the case of injury to another bowler, during the game. If a bowler is unable to complete an over due to injury and injury, another bowler, who has not completed her quota, may complete the over. The number of balls left to be bowled shall count as a complete over for the replacement bowler
- j) Two runs shall be the penalty for a wide ball and a no ball and no extra delivery shall be bowled, except in the last over of an innings when the two run penalty will still apply, but an additional ball shall be bowled
- k) Any delivery, regardless of pace, which passes or would have passed on the full above waist height of the strike standing upright at the crease, shall be called and signalled a no ball, whether or not it is likely to inflict physical injury.

THE RESULT

- a) The team scoring the higher number of runs will be the winner.
- b) If scores are equal in the League fixtures the result shall be a tie.
- c) At the finals day, a super over shall be played to determine the winner.
- d) The super over shall be one, six ball over bowled by one bowler. The team scoring the highest number of runs in the super over shall be the winner. If the scores are equal in the super over the side losing the fewer wickets shall be the winner.
- e) Two points will be awarded for a win and one point for a tie. The two league winners will compete in the final. In the event of a 2-way tie for first place the result of the game between the two teams will decide the winner. In the event of a 3, or greater, way tie then average run rate will decide the winner.
