Welcome

Welcome to the 2021/22 Team Leicestershire Football Season. All sport-specific information, rules, formats and age groups are included within this handbook. For additional Team Leicestershire information, overarching rules and processes, please also ensure that you refer to the 2021/22 Team Leicestershire handbook.

Obligations

It is imperative that Team Managers read and understand the contents of this sport specific handbook and the generic Team Leicestershire rules and formats handbook to ensure the smooth running of each competition.

Please pay specific attention to the deadlines and play by dates within this document.

Covid-19 Amendment

Following the Coronavirus outbreak, the 2021-22 academic year may continue to be a different and challenging period as we transition back towards "normality". With this in mind, it is important that we at LRS as well as SSPANS, SCHOOLS and SPORTS ASSOCIATIONS recognise and understand that flexibility and adaptability may well be imperative to the delivery of the Competition Calendar. Therefore, the dates and formats stated in this year's TL handbook documents are an 'ideal scenario' and may be subject to change at both local and County level.

It is important that opportunities for young people to compete are provided and so in order to do this, we may have to utilise that flexibility and adaptability with the support of schools and delivery partners involved. Any required changes (*if and when the need arises*) will be communicated as clearly and as early as possible to allow for any necessary amendments by all parties involved.

We thank you for your support in this matter should any unforeseen circumstances arise or amendments be required.

Website / Virtual Together App

The Team Leicestershire programme is centrally managed through the website & our new Virtual Together app (powered by Playwaze)

<https://www.teamleicestershire.org>

<https://www.playwaze.com>

Schools are responsible for uploading their own results and monitoring & evaluation data to the Virtual Together app, which will result in the smooth running of each competition. Initial team & competition entry is done via the web platform, then all competitions, fixtures and result input are subsequently available via the Virtual Together mobile app.

The transition to the Team Leicestershire mobile app will hopefully make elements such as M&E & result upload quicker and easier for staff involved as well as allowing young people and parents to follow their teams' fortunes throughout the competitions.

All user guides can be found on the Team Leicestershire website:
